13. To approve the following New Business rules and tools for WSC 2018: (see below)

To adopt for WSC 2018 only, the following approaches for New Business:

1. All makers of new proposals will use a New Proposal form to submit their proposal. The form will include the following information:
 - a. Maker

- b. Main topic/issue addressed in the proposal
 - c. The proposal itself
 - d. What does this proposal intend to accomplish? (i.e., project, issue discussion, new tools, evolving the idea to create a 2020 CAR motion, etc.)
 - e. Any contextual or support material that would be helpful in discussion of the proposal
2. The deadline for New Proposal submissions will be 12:00 noon on Wednesday of the Conference week. The WSC Co-facilitators and World Board Chair will oversee the compilation of all submitted proposals and will be responsible for the final presentation of the list to be distributed to Conference participants. They may group proposals that have similar themes (much as is done currently).
3. New Proposal packages and surveys will be distributed to Conference participants Wednesday evening.
- a. Each participant will be asked to complete the survey, identifying the proposals or topics they wish to discuss with a “yes” and those they do not wish to discuss with a “no.”
Participants can choose to vote “yes” or “no” for every proposal, none of the proposals, or any number between.
 - b. The deadline to complete and turn in New Proposal surveys is noon Thursday.
4. Surveys will be tabulated; all results will be provided to Conference participants Thursday evening.
- a. The proposals or topics that receive the most “yes” votes will be identified for discussion in small groups. We will seek the Conference’s concurrence on the small group discussion topics.
 - b. All proposals that were submitted and not discussed will be included in an appendix to the WSC minutes
5. New Proposal discussions will take place in two 90-minute breakout sessions on Friday.
- a. We will meet as a large group prior to the start of the small-group discussions to review the proposals and agree on a frame (depending on topics and intended outcomes), so that there is a common understanding of the process and goals.
 - b. There will be five breakout rooms, two for RDs, two for ADs, and one for Spanish speaking participants.
 - c. Each session in the breakout rooms will have time for both small- and large-group discussions on each topic. Each breakout room will be asked to agree on outcomes of their discussions to report back to the Conference.
 - d. Session outcomes will be compiled in preparation for the Saturday morning session.
6. Large-group follow-up on small-group sessions (Saturday morning)
- a. We will report the points of agreement or disagreement from the breakouts, and facilitate a discussion on how to move forward. This could include additional large group or small-group discussions.
 - b. Either here or in Moving Forward, the Conference will decide how to carry forward proposals or topics that received considerable support but were not identified for discussion.
7. Moving Forward session (Saturday afternoon)
- a. Any outcomes from the New Proposals process that need a final vote will be addressed.

b. Any other issues from the week's work that need a final vote will be addressed.
