Autonomy Zonal Forum Guidelines

Includes additions approved in all AZF minutes through November 2019
Section 1  Mission Statement  [7-2018]

The Autonomy Zone brings all elements of Narcotics Anonymous (NA) from its participating regions together to further the common welfare of NA by providing events which:

- Create an opportunity for Regions to come together to exchange experience, strength, and hope and collectively express itself on matters affecting Narcotics Anonymous as a whole
- Train, mentor and/or inform participants about the fellowship of Narcotics Anonymous

The AZF is ultimately responsible to the groups it serves inspired by the joy of selfless service, and the knowledge that our efforts make a difference.

Section 2  Purpose  [11/2019]

We have joined together to discuss issues of mutual concern, address common needs, exchange ideas, and share experiences, in order to further our primary purpose. As a forum for the discussion of common problems and their solutions, we complement the existing service structure of NA by addressing our own specific needs through unity, cooperation, and communication. We identify our member Regions’ common needs, to work with member Regions and their respective subcommittees, to plan and facilitate multiregional service efforts that address those needs.
Participants at the AZF fall into three (3) categories: Member Regions, AZF trusted servants and observer participants.

1. **Member Regions of the AZF** are: Central Atlantic, Chesapeake and Potomac, Eastern Pennsylvania, Free State, and Greater Philadelphia [11/2019]

Section 6 Financial/Budget [11/2019]

Funding of Trusted Servants
1. The 5 member Regions have agreed to fund equally the cost of the AZF Facilitator and Secretary positions. The intent is for each Region to be financially responsible for the expenses for the AZF. The financial impact and annual cost are budgeted at $750.00, which factors out to be $300.00 annually per Region.

Section 7 Decision Making [11/2019]

Other than Elections, all decisions are made using consensus. Consensus is defined as the decision-making process used by the AZF in which discussion and compromise are used to reach agreement. For example, if a proposal/topic is introduced to change, or create a practice of the AZF and consensus is not reached, the practice will continue as it currently stands or will not be implemented. General guidelines are outlined below.

Quorum 2/3 of the RDs of the existing voting regions must be present for decision making on Zoom calls. [07/2018]
1) The facilitator opens the dialogue when a proposal or amendment is presented beginning with the maker of the proposal / topic.

2) Clarifying questions are taken. This is when questions are asked to ensure that all participants understand the proposal / topic. This is not the time for general discussion.

3) Facilitator asks for concerns or reservations (General Discussion). This is when modifications may be made to the proposal / topic to address expressed reservations or concerns.

4) The Facilitator will conduct a straw poll to measure the initial level of support for the proposal. A straw poll can help to determine if any further discussion is necessary and to determine if the body is ready to decide. These are not binding decisions and are simply a tool to aid in the consensus-based process.

5) Facilitator asks for Consensus among voting members. Voting members are defined as the RDs of our participating regions. In the absence of the RD, the AD becomes a voting member.

6) A voting member may “Stand Aside”. This means that the member is removed from the vote count and does not affect the vote.

7) Consensus is reached when 80% of the voting members are in favor of a proposal/topic.

Things to Consider

All delegate team members of our participating regions are full participants in the decision-making process.

Consensus is based on the belief that each person has a piece of the truth

Consensus exists when each member of the group can say:

- I have had the opportunity to voice my opinions.
- I believe the group has heard me.
- I can actively support the group’s decision as the best possible action at this time, even if it is not my first choice.
