Sunday from 9am – 2pm was our business meeting. Our topics of discussion were:

- Having a 2 day event in Philadelphia for the July AZF. Can we make this a successful biannual event from this point forward.
- Scheduling to do an environmental scan and gathering information in our region using the S.W.O.T. method. We could benefit from shared information with surrounding regions.
- Potentially combining with the Northeast Zone for a dual event sometime in the future. A group was formed to open the line of communication with the NEZ and invite them to our next AZF web meeting. This is to be brought to our regions for direction.
- Regional Reports:
 - EPARNA will remain their own region.
 - C&P annual convention in April
 - CARNA regional meeting 3 times per year. 600 meetings weekly
 - Greater Philadelphia RD goes to area service meetings to answer any questions. Their annual convention is June 7th – 9th. Info can be found at www.NAWorks.org. Billboards and signs at bus stops are up in targeted areas for information to those that don't know about na.
 - Mountaineer has 2 regional conventions per year at the Cedar Lakes park. Beautiful location!
 - They are creating policy for CBDM.
 - Freestate annual convention will go on this year.
- Next zoom meeting: March 18th, May 20th
